## Best Option

### *Strengthen your foundation and remind people who you are!*

The road to success is not a sprint, but a marathon. Rome was not built in a day, and your long-term goals will take a consistent plan of action and a carefully planned marketing strategy in order to achieve them. With this in mind we have come up a very economical plan for the business person wise enough to invest in an ongoing strategy for success. One of the great things about the “Strengthen Your Foundation” **ongoing advertisement** package is it allows you change your ad on a monthly basis or run two different ads to handle specific needs at different times of the year. It is important if you are an existing business that has been in the area for years to remind people what you offer, as you likely have new competition that advertises they are new. You need to stay on the top of the consumers’ minds to stay at the top of the market. The rate is as follows:

- Seventy (70), 30 second spots per month, *Run of Station (ROS)*.
- Over 54% **off** per spot rate → **\$7 per 30 second ad x 70 ads = \$490 per month (net)**
- Special price requires a six-month minimum
- Pay for the first month in advance and get fill for FREE
